Write something special that you would like Santa to bring you or your family:

A Laptop Computer for my daughter who is a Senior & lost her computer. Maybe a digital camera as we lost all our memories.

Please use back or another sheet of paper, if you want to write more. We want to hear your story.

when I got the news that a drunk had a home
it came from my 2 yr. old granddaughter. She said
D'anna D. can't find your home. I lost it. I treas
my grandmother's China Cabinet which was very
old it was the one thing that I hoped I could
find. but that was impossible. Though I lost
everything I am truly grateful to our Lord
that he spared all our lives. Times are really
tough but we with our faith in God will
get through this.
